Purpose The Board believes that the consideration of current events has a legitimate place in the instructional program of the schools.</p> <p>Properly introduced and conducted, the consideration of such events can help students learn to identify important issues, explore fully and fairly all sides of an issue, weigh carefully the values and factors involved, and develop techniques for formulating and evaluating positions.</p> <p>2. Definition For purposes of this policy, a current event is a topic on which opposing points of view have been promulgated by responsible opinion and is not expressly enumerated in the course guide as appropriate for the course of study.</p> <p>3. Encourages fair presentation and open-mindedness. 4. Is conducted in a spirit of scholarly inquiry. 5. <p>4. Delegation of Responsibility</p>	<p>The Board recognizes that some deviation from the assigned course guide is necessary in the free exchange of the classroom. However, the Board specifies for the guidance of the Superintendent and, through administrative directive, the guidance of the staff, that any discussion of current events in the classroom shall be conducted in an unprejudiced and dispassionate manner and shall not disrupt the educational process; fail to match the maturity level of students; and be unrelated to the goals of the district and the appropriate course guide.</p> <p>The Superintendent shall assist teaching staff members in developing an alertness to the occurrence of current events in the context of the curriculum and obtaining prior written approval for material liable to be considered controversial.</p>
