

2nd Grade

Activities for the Week of 6/1-6/3

[A Message from Mrs. Burns](#)

Have a great summer!!

Please note that many of this week's worksheets, but not all, have been created so that the answers can be typed in.

You will need to use Adobe Acrobat Reader or another PDF reader to download and fill out the worksheets electronically.

If you need help downloading Acrobat Reader or downloading the worksheets, [click here for directions!](#)

Virtual Field Trip

Smithsonian's National Zoo

Directions:

1. Visit the [Smithsonian's National Zoo](#)
2. Click the animals to watch the live web cams when you visit the zoo
3. Complete the activities below about the zoo

Activity # 1: Zoo Bingo

Goal: Students will observe animals in their habitat.

Materials:

Zoo bingo Card
Pencil

Directions:

1. Choose a bingo card
 - a. [Naked Mole Rat Bingo](#)
 - b. [Elephant Bingo](#)
 - c. [Giant Panda Bingo](#)
 - d. [Lion Bingo](#)
2. After you pick an animal to play Bingo with, click that animal's live cam and see if you can get BINGO!

Activity #2: I-Spy at the Zoo

Goal: Students will observe animals at the zoo in their habitat.

Materials:

[I-Spy at the Zoo](#)

Pencil

Crayons

Directions:

1. Use the I-Spy paper and click on each animal's live cam to see if you can find all of the items at the zoo!
2. Optional: Complete the "Extend Your Learning" activity at the bottom of the paper.

Activity #3: How do animals stay warm

Goal: Students will discover how animals stay warm using their blubber or fat.

Materials:

Latex/plastic Gloves

Shortening or Lard

Ice

Water

Bin

stopwatch

Directions:

1. BLUBBER EXPERIMENT INSTRUCTIONS
2. Place ice and water in a washing up bowl.
3. Carefully place your hands in the ice water and time how long you can keep them in the water before it gets uncomfortable – be careful not to leave them in longer than that.
4. Put the glove on and cover with lard or shortening.
5. Put the gloved hand in the ice water and time how long it takes to feel uncomfortable this time.

6. Think about the experiment and which hand you could keep in the ice water longer and why.

Extra Practice & Review Activities:

These activities provide extra support and review as well address topics outside of core subject areas. These activities are optional and should not be turned in.

Extra Practice Activity #1: Fry's Sight Word Review (101-200)

Goal: Students will practice previously taught sight words.

Materials:

[Fry's Sight Word Review Video](#)

Directions:

1. Play the video and read the words along with the song!
