The Pine Grove Area School Board reviewed your evaluations/district goals and we continue to be pleased to inform you that both by vote for the 2023/2024 school year were satisfactory. We also modified your goals and added another one for the 2024/2025 school year. We hope that the district continues to make positive strides forward under your direction in the 2024/2025 school year.

Sincerely yours,
