The Pine Grove Area School Board of Directors reviewed your evaluations/district goals and we are pleased to inform you by vote your evaluations/district goals for 2022/2023 school year were satisfactory. We also have agreed with your Objective District Performance Goals for the 2023/24 with some minor changes and added 1 additional goal. The board looks forward to working with you once again and see what new levels you can move the district in the during the 2023/2024 school year. Working together, we can make this happen!

Sincerely yours,

David Lukasewicz

President
