OTHER TRIP RULES AND GUIDELINES

State attendance regulations permit a student to be legally excused to participate in a trip when approved by the Principal prior to the trip. Trips must be supervised by the parent or guardian, or by a responsible adult acceptable to the Principal. Parents requesting to have their child(ren) excused from school for a trip with parent(s) for a period of time, must submit a written request two weeks prior to the trip. Parents are encouraged to schedule trips when school is not in session. **Absences for trips should not be requested for the first and last three weeks of each semester. Such trips may not be approved for students who are failing any subjects or who have unexcused absences.** Shopping trips and similar activities will not be approved as excused trips. Please remember that snow make-up days will be added on at the end of the school year when planning family trips.
