GENERAL INFORMATION

ASSURANCE OF NON-DISCRIMINATION

SPECIAL EDUCATION SERVICES

Students and parents are assured that the Pine Grove Area School District is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, sex and/or handicap in its activities, programs or employment practices as required by Title VI, Title IX, and Section 504. The Pine Grove Area School District also provides a variety of special education services. For information regarding services, activities, and facilities that are accessible to and useable by handicapped persons, please call the building level your son/daughter is in and ask for Director of Student Services.

WHO OWNS THE SCHOOL

Surprisingly, YOU do! Your parents and all taxpayers are legally required to pay taxes that build and maintain the Public School System. Everyone pays taxes in one form or another. Therefore, any damage done to this building, equipment, buses or books must be paid for with tax dollars. It is not enough that you should refrain from doing anything to increase this cost to your parents, neighbors, and yourself. You must help protect the school by discouraging or reporting such activities to school officials.

SCHOOL DAY – BELL SCHEDULE

Doors open for students at 7:00 AM. Students are to report directly to the cafeteria. Students are dismissed from the cafeteria at 7:30. Students coming to school after 7:40 AM are considered late/tardy. Students coming into school after 7:40 are required to sign in at the office.

Mid-terms and final examinations are worth 10% each to a student's overall grade. Marking periods in classes with no mid-term or final examinations are worth 25% of a student's overall grade. Teachers take into consideration many areas when recording the grades of students, but keep in mind, the grade you achieve is the grade you give yourself.

SUMMER SCHOOL AND FAILURES

No students will be permitted to attend summer school if he or she earned a cumulative grade lower than 50%.

MISSED ASSIGNMENTS AND MAKE UP WORK

Students will be given one day for every excused day absent to make up assignments and tests. Students shall be responsible for contacting teachers and arranging for make-up work.

Students who do not complete make-up work within the specified time may be given a zero.

Students absent the day of a test announced prior to their absence may be given the test on the first day back. The teacher also reserves the right to give a different test to students who miss the original test.

Grades for make-up work turned in late may be lowered by one letter grade per school day the assignment is late.

Students with planned absences should make every effort to keep up with class work during the absence. NAVIANCE

Naviance is a program designed to help students address four critical areas of post-secondary success including self-discovery, career exploration, academic planning, and college and career preparation. Grade levels will be assigned different tasks throughout the school year. Students will be assisted by School Counselors with task completion via class meetings, classroom presentation, and individual sessions. Every student will have the opportunity to use Naviance to help plan for their future successes and endeavors.

PERSONAL AND SOCIAL ADJUSTMENTS

This means that when you have a question that needs special attention and you would like to talk to someone about it, your counselor is there to listen. We are not here to tell you what is the “right” answer to your problems. Our purpose is to listen to your problems and talk over different solutions to that problem. It is our hope to give new insights into your problem so that “you” might be able to make a wise decision in solving your problem. ALL COUNSELING INTERVIEWS ARE STRICTLY CONFIDENTIAL – This means that what we talk about behind closed doors will not be told to anyone without your permission. The only exception to this is when harm might be done to you or someone else if the problem is not addressed.

EDUCATIONAL AND VOCATIONAL PLANNING

The counselor is interested in your educational and vocational choice. We are willing to talk to you about any questions you might have concerning your educational or vocational plans. The counselors do not claim to have all the answers, but he/she does promise to work with you to find the answers to your questions.

CURRICULUM PLANNING

This is one area of guidance that is very important to you, the student. The courses you take in high school will affect you for the rest of your life. The counselor is here to help you in making decisions on what courses would be best for you to take. If you have any questions about what courses you should take in your high school educational experience, please feel free to come in and talk about it with one of the counselors. In working together, you and the counselor you are working with can choose the curriculum which will be the most beneficial to you and your future.

TESTING PROGRAM

Another function of the guidance program is the selection, administration and interpretation of various achievements, psychological and vocational tests. These tests are designed to help you, your teachers and your parents/guardians better understand your abilities and also help you to improve yourself.

The following is a description of the tests you will be taking while in high school and the reason for taking these tests.

THE KEYSTONE EXAMS – This is a state mandated test administered in all Pennsylvania schools. By the end of their eleventh grade year, students are required to take the State Assessment in the areas of Algebra, Biology, and Literature.

THE ARMED FORCES VOCATIONAL APTITUDE BATTERY (ASVAB)

The ASVAB is a timed multi-aptitude test, which is given at over 14,000 schools and Military Entrance Processing Stations (MEPS) nationwide and is developed and maintained by the Department of Defense. As an aptitude test, the ASVAB measures your strengths, weaknesses, and potential for future success. The ASVAB also provides you with career information for various civilian and military occupations and is an indicator for success in future endeavors, whether you choose to go to college, vocational school, or a military career.

THE PRELIMINARY SCHOLASTIC APTITUDE TEST/NATIONAL MERIT SCHOLARSHIP QUALIFYING TEST (PSAT/NMSQT)

– This test is to help you evaluate your academic development and plan your education. This test measures the same verbal and quantitative abilities as the College Board Scholastic Aptitude Test (SAT); therefore, it is actually a practice test for the SAT. The SAT is a requirement for most college entrances. This test puts you in the running for National Merit Scholarship for college. This test is not required for every student. Only those students planning to enter college after high school should take the test.

THE SCHOLASTIC APTITUDE TEST (SAT) – The taking of this test is a requirement for entrance in most colleges. If you are planning to attend college, it is recommended that you take this test in both 11th and 12th grades. Applications for this test may be picked up in the Guidance Office.

ADVANCED PLACEMENT EXAMS – AP exams are administered on a voluntary basis. Students do not have to complete or take an AP course in order to take one or more of the AP exams. The exams are administered in early May. Information is available in the AP course and the Student Services Office. Students who are enrolled in an Advanced Placement Course will be required to take the Advanced Placement Exam in order to receive the course weight of 1.12. Students who choose not to take the AP exam will receive a course weight of 1.00.

OCCUPATIONAL AND VOCATIONAL INFORMATION

Files of occupational information, college and technical school catalogs and books for personal, social, educational and vocational planning are available in the Guidance Office and the library. Students may use this material during any study hall or may sign it out for home use. The counselors of this high school hope that you have a very successful and rewarding educational experience with us. You are always welcome in the counselor's office.

SCHOOL HEALTH SERVICES

The nurse will see any student who becomes ill or injured during school hours. She will also assist in seeing that accommodations are made for any student returning to school after a serious injury or illness. Detailed records are kept on each student. The nurse can be reached by calling 345-2731, Extension 229.

Each year all students receive a vision screening and height/weight measurements. Eleventh grade students receive a hearing screening and need a physical examination. Parents will be notified if a student does not pass these screening examinations.

MEDICATION POLICY

It is this school district's policy to request that medications be given before or after school hours. When this is not possible, prior to receiving the medication (prescription or non-prescription) at school, each student must provide the school nurse with a Medication Order signed by the licensed prescriber and the student's parent/guardian. This form is available on the PGASD website at: [Medication Form](#). All medications must be in the original container and should be given to the nurse immediately upon arrival at school.

(PGASD Board Policy #210)

ASTHMA POLICY

In May, 2005, the Pine Grove Area School District Board of Directors adopted a policy entitled "Possession/Use of Asthma Inhalers." This policy requires that all students with asthma have an Asthma Action Plan signed by the parent/guardian and physician. Students who will be carrying an inhaler in school must have an Asthma Inhaler Contract signed by the parent/guardian, student, and school nurse, in which all parties agree to certain terms regarding the use of the inhaler in school. The school nurse will mail these forms to the homes of all students who have asthma listed as a health problem on their Student Update form. These forms are also available on the PGASD website at <http://www.pgasd.com/pdf/Health%20Forms/05%20Asthma%20Forms.pdf>.

(PGASD Board Policy #210.1)

STUDENT ASSISTANCE PROGRAM (SAP)

The Student Assistance Program is an intervention program staffed by teachers, the guidance counselor/s, the nurse, administration, and appropriate counselors from county agencies. The Student Assistance Team is trained to identify and help "high risk" students seek the help that they need. High risk concerns may include emotional or social problems, substance abuse problems, physical and sexual abuse, eating disorders, depression, school phobia, suicide prevention, and truancy. Team members have been trained to identify "high risk" students. Referrals can come from students, parents, teachers, counselors, administrators, and be made anonymously in the guidance office.

PROM AND OTHER DANCE GUESTS

Administration reserves the right to prohibit any person from attending the prom/dance in order to ensure the safety of others and to preserve the decorum of the event. PASS SYSTEM

No student will be allowed to **leave** any classroom while classes are in session **WITHOUT** a pass. No students should be permitted **into** any classroom **WITHOUT** a pass.

LIBRARY/MEDIA CENTER

The purpose of the library is to serve pupils and teachers by providing print and electronic materials which support the school curriculum and also to give personal service to those who seek information concerning those materials.

- Any student tampering with the computers will be dealt with in accordance with building policy
- Students must bring work to do when visiting the library. Reasonable quiet must be observed at all times. Students who violate these points will be sent back to study hall

SEARCHES AND SEIZURES

The school district recognizes that The Fourth Amendment provides that students have a right "to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures." However, with the passage of the Gun Free Schools Act, the Safe Schools Act, and Act 26 of 1995 that amends the School Code, it is imperative that the school also recognizes its responsibility to protect and maintain the health, welfare, and safety of all students. Consequently, the school district contends that school lockers and desks belong to the school, and that students are only given permission to use them. It is with this understanding that students should assume no expectation of privacy and realize that searches may be conducted by school officials with or without any suspicion of wrong doing on the part of the student. Students should be aware that all student desks and lockers may be searched at any time and for any reason, with no qualifications or exceptions.

Student lockers and desks will be inspected from time to time to insure that they are being properly cared for and that the contents are in no way harmful to the student and other persons in the school building. Any illegal material may be seized.

Students may also be asked to empty their pockets, book bags, purses, and other personal articles to search for illegal, controlled, or criminal material.

GENERAL CONDUCT

We have always been proud of the conduct of the students of Pine Grove Area High School. The goal of the district is that our students continue to act in such a manner that honors our school. Be pleasant and respectful. Avoid being rude, arrogant, or insolent. Such behavior will not be tolerated. Profanity, crude or disrespectful language is not acceptable. Public displays of affection are not acceptable school behaviors. Be cooperative, become familiar with regulations and obey them. **Always respect authority.**

Camera recordings are reviewed by school officials for discipline and security purposes, and may be provided to the police or used in school disciplinary proceedings. Individuals should understand that their actions while in these areas will be recorded and they should have no expectation of privacy in public

areas. The use of video cameras in school and on school busses is aimed at preventing discipline problems from occurring while not serving as a threat to normally acceptable student behavior. Video monitoring will not replace the responsibility of staff to monitor students. Video cameras will add a level of verification of student behavior that will not interfere within the educational environment.

PERSONAL PROPERTY

The school is not responsible for lost, stolen, and/or damaged personal items. Students are encouraged to keep items of value at home. Proper use of lockers, including use of school issued locks, is advised.

ELECTRONIC DEVICES AND TELEPHONE CALLS

The Pine Grove Area High School will not be responsible for any electronic devices that are brought to school. Electronic devices may be used for education purposes with a teacher's permission and supervision. Cell phones are permitted during a student's lunch period in the cafeteria only. During the rest of the school day, cell phones may not be used in unauthorized areas. Students should not plug their cell phones into any school computer or wall outlet without permission from the main office. Violation of these rules will result in the following:

- 1st Offense: Pick up in the office at the end of the day and/or detention
- 2nd Offense: Parent/Guardian must retrieve and/or detention.
- 3rd Offense: Parent/Guardian must retrieve and detention/Saturday detention.

Volunteer firefighters may carry pagers with written permission from their parents, their fire chief, and the high school principal.

At no time will students be called to the office to answer incoming phone calls unless it is an emergency. If the message is urgent, the secretary will deliver the message to the student concerned. Only when permission has been granted will students be allowed to use the office telephone. Students needing to make personal phone calls should report to the office.

If a cell phone/camera is believed to be related to a school incident, or an incident causing a disruption to the school environment, the phone may be confiscated. The cell phone/camera may also be held until the completion of the investigation and/or given to the police.

For complete Electronic Device Policy please refer to the district website. (PGASD Board Policy #237)

Consider the feelings and rights of the audience as well as those taking part in the program.

STUDY HALLS

This procedure is being followed to protect your child. **NO BUS CHANGE WILL BE MADE WITHOUT A COMPLETED PARENTAL REQUEST FORM.**

FIELD TRIPS

Students who are scheduled to participate in school-sponsored field trips need administrative approval and parental permission. Academic/attendance/discipline eligibility is also required. The classroom teacher or administrators will issue field trip permission slips. School policy is in effect during all field trips. It is the student's responsibility to inform their teachers in a timely fashion of their upcoming attendance on a field trip. Students are responsible for acquiring and completing missed work according to each teacher's classroom policy.

DRIVING AUTOMOBILES TO SCHOOL

Students are encouraged to use school transportation. Students must register vehicles in the school office. Students may not park on campus without proper registration and identification. Vehicles that are not properly registered or parked in unauthorized spaces, may be towed at the owner's expense.

Students are reminded that driving to school is a privilege, not a right, and may be revoked due to violations of parking regulations and/or the exhibition of poor driving judgment. The driving privilege may also be revoked for school disciplinary reasons, which may include excessive absences and tardiness. The loss of privileges will result in the student being placed on a waiting list for possible reinstatement for the next semester.

Upon arrival to school, students will park their cars. After dismissal, students should not sit in parked cars, but should leave school grounds. A fee may be charged to register your vehicle.

NOTE – STUDENT DRIVERS AND RIDERS ARE NOT COVERED BY SCHOOL INSURANCE.

Any student displaying unacceptable behavior during lunch will be handled accordingly.

Students will line up in the designated hallway and wait for a teacher to instruct them to proceed. Students should not enter the cafeteria until instructed to do so by the assigned teacher.

Continued misbehavior will result in revocation of lunch privileges. Students wishing to use the library during lunch must present a pass to the teacher on duty. No student should be in the cafeteria during a period in which he or she is not assigned.

All students are REQUIRED to remain in the designated areas during lunch periods. The teacher on duty reserves the right to assign seats due to unacceptable behavior.

Morning Procedure: Students will remain in the cafeteria until 7:30 at which time breakfast service will end. Only students who are finishing their breakfast may remain in the cafeteria, but must be in homeroom by 7:40. Students MAY NOT report to homeroom and then go to the cafeteria for breakfast. Students who are not in homeroom by the 7:40 bell will be marked tardy for the day. Food should not be taken out of the cafeteria.

ATTENDANCE AND ABSENCES

The Pine Grove Area School District recognizes that attendance is a vital component to success in education and all students, regardless of age, will be subject to disciplinary actions for inappropriate attendance, lateness, or tardiness. State law requires that a parent must send his/her child to school between the ages of 6 and 16, and the child must attend regularly. According to Pennsylvania law, all absences are unexcused with the exception of those caused by illness, quarantine, family emergency, recovery from an accident, required court appearance, death in the family, religious holidays, family educational travel with prior approval, or educational tours or trips with prior approval. A student absent from school must present a written excuse to the office stating the dates absent and the reason for his/her absence. This note must be signed by the parent or guardian. This excuse is due the day the student returns to school. If the student fails to turn in an excuse within three school days that he/she is present, the absence becomes an illegal/unlawful absence. Whenever a student is ill and a doctor's services are obtained, the student is expected to provide a Doctor's excuse.

No pupil may leave school before the end of his/her school day unless permission has been granted by the office.

ILLEGAL OR UNLAWFUL ABSENCES

Under the recommendations of the Schuylkill County Truancy Policy, parents/guardians of a student who has accumulated one (1) unlawful absence will be notified in writing by the school district. A copy of the Schuylkill County Truancy Policy will be sent to the parents/guardians along with the notification of one unlawful absence.

Under the compulsory school attendance regulations, parents/guardians of a student who has accumulated three (3) and four (4) unlawful absences must be issued a certified letter. Any subsequent unlawful absences may result in a referral to Schuylkill County Children and Youth. A citation may also be issued.

ACCUMULATION OF TEN (10) DAYS OF ABSENCE – FOR BOTH COMPULSORY AND NON-COMPULSORY STUDENTS

Under the compulsory school attendance regulations, or at the discretion of the building principal, parents/guardians of students who have accumulated ten (10) days of absence (legal or unlawful) will be notified in writing by the school district. This letter will be sent certified mail and parents/guardians will have the opportunity to meet with the building level principal and/or his or her designee. Any subsequent absence after the tenth day without proper documentation (medical note) may result in citations or consequences under the disciplinary code and/or compulsory school act.

NONCOMPULSORY AGE STUDENTS AGE SEVENTEEN (17) AND ABOVE – UNEXCUSED ABSENCE – SEMESTER BASED

Parents/Guardians of a student who no longer falls under the jurisdiction of the Compulsory School Act and who has accumulated one unexcused (1) absence will be notified in writing. When a student accumulates additional unexcused absences in any semester, the following procedure will be followed:

- 3 Unexcused Days: Letter sent to parent/guardian notifying them of student's unexcused absences to date.
- 6 Unexcused Days: Letter sent to parent/guardian notifying them of future consequences of additional absences.
- 9 Unexcused Days: Letter sent to parent/guardian notifying them of future consequences of additional absences. Parent contacted via telephone.
- 12 Unexcused Days: Mandatory student, parent, and school staff conference.

After a student accumulates more than 12 unexcused absences in a semester, a final conference will occur, and a certified letter will be sent home stating that the student will lose credit for all courses currently being taken in the given semester. Students 17 years of age and older may withdraw from school. Students who lose credit because of this rule may re-enroll at Pine Grove Area the following academic semester.

NOTE: The principal may exercise prudent judgment in giving extensions or exceptions to the 12 day rule when extenuating circumstances warrant special consideration. This 12 day semester absence rule applies to each semester, dates ranging from August to January (1st semester) and January to June (2nd semester).

LEAVING SCHOOL DURING THE DAY

Students are not permitted to leave the high school building without proper authorization from the high school office or from the high school nurse. Students sent home by the nurse may not participate in extra-curricular activities that day. Students are not permitted to leave the building during the day to go to their car without permission from the office. Students are not permitted to leave school property for any reason without verbal or written permission from their parent/guardian once they arrive at school in the morning.

EARLY DISMISSAL

Any student who wishes to be excused early from school must present a note to the main office signed by a parent or guardian during homeroom that contains the following information:

- A. Reason for request for early dismissal
- B. Place and time of appointment
- C. Name of person with whom appointment is to be held
- D. Home or business phone number where parent or guardian can be contacted for verification. Students desiring an early dismissal should present their note to the attendance office during homeroom.

THE OFFICE RESERVES THE RIGHT TO VERIFY ALL APPOINTMENTS

STUDENTS TARDY TO SCHOOL

The student will be issued a tardy slip before reporting to homeroom or class.

Students who arrive to school after 8:20 a.m. will be issued a ½ day absence. Students who leave prior to 1:45 will be issued a ½ day absence.

Parents will be required to have a conference with the Principal.
- 4.) 15 plus days tardy (per semester) – will result in 2 Saturday detentions for each day tardy and the student forfeiting his/her privilege to participate in sports, all school activities, and all dances (including the Holiday Dance and the Prom) for the remainder of the school year. Parents will be required to have a conference with the Principal.
- 5.) Parents should contact the High School Administration to discuss any concerns or situations that may result in the need for special arrangements or to address their child's tardiness.

Students driving or being driven to school are not entitled to an excused tardy due to traffic conditions or problems related to their vehicles, passengers or road conditions.

Other than a doctor's excuse, tardy notes will no longer be accepted.

STUDENTS TARDY FOR CLASS

All students must be in class on time. The office will not issue late passes. If you are late you will need to respond to the teacher's consequences. If a teacher must detain a student, they should give the student a written pass to their next class.

SCHOOL CLOSING AND EARLY DISMISSALS

In the event of bad weather, school may be closed, delayed or dismissed early. In case of such closure or early dismissal parent/families will be notified via a mass communication system. Other pertinent information affecting the school community will also be disseminated in this manner. Parents will be contacted by phone, email or text message.

COLLEGE VISITATIONS

Throughout the year, colleges send representatives to the high school. Students must sign up in the guidance office in advance to attend and the visitations are limited to upper classmen. College visitations will be considered excused absences.

WITHDRAWAL FROM SCHOOL

When a student wishes to withdraw from school, he/she should report to the office for clearance. The office will recognize such requests ONLY under the following conditions:

- The parent/guardian of the student must come to school and make a formal request that the student will be withdrawing from school.
- The appropriate paperwork must then be completed.
- The student must fulfill all obligations to the school; i.e., return of textbooks, library books, and any money owed. Withdrawal forms are available in the office.

EDUCATIONAL TRIP

A student going on an educational trip should complete and return an educational trip form to the principal for approval at least 5 days prior to trip. Upon approval the absence will then be considered an excused absence. Students are responsible for all missed work during an educational trip. Students are limited to 5 educational trip days per school year. (PGASD Board Policy #204.1)

BOOK DAMAGE OR LOSS

Students are responsible for books assigned to them. Reimbursement fees for lost or damaged books will be based on the cost to replace or repair the book.

FOOD AND DRINKS

Food and drinks are permitted only in the cafeteria or designated areas. Open containers are prohibited and should not be kept in lockers. **NO FOOD OR DRINKS ARE ALLOWED IN THE HALLS, STUDY HALLS, GYMNASIUM OR AUDITORIUM AT ANY TIMES WITHOUT PRIOR AUTHORIZATION.** No student is permitted to have food or drinks **delivered** to the school without prior permission. Students are not permitted to use vending machines except during their lunch period.

SUBSTITUTE TEACHERS

Substitute teachers are a vital part of the educational process and must be extended all rights as a professional member of the teaching staff. Substitutes should be treated with the highest level of respect by all students and failure to follow a substitute's directives will be considered a serious violation and will result in disciplinary action.

SCHOOL INSURANCE

Each year the opportunity is given to students to purchase low-cost group insurance that provides protection in the event of an accident in school, going to and from school, or any scheduled school activity. A full explanation of coverage provided is included in the brochures distributed by the company and made available to each student. All students are encouraged to buy this insurance.

Since the school is not liable for injuries incurred during the normal school day the need for the parent/guardian to assume costs in the event of an accident should be considered in the decision concerning the purchase of the insurance. Students who participate in district sponsored athletics; band, clubs, field trips, and physical education K-12 are covered by a policy purchased by the district. This policy, however, has specific coverage and limitations.

It is the responsibility of the insured party to file all claims with the insurance company. All notice of claims should be given to the company promptly after the accident. The procedures to be followed in filing a claim are:

1. Obtain a claim form from the office secretary.
2. Take the claim form to the doctor, or hospital treating the child's injury for completion of their section of the form.
3. Send the claim directly to the insurance company.

CHANGE OF ADDRESS

Any student who moves during the school year or has a change in phone number should report the new information to the office immediately. Changes to parent/guardian work numbers or emergency contacts should also be reported.

ACTIVITIES

In addition to athletics, the district sponsors a number of activities and encourages students to participate. Examples include, but are not limited to: Intramurals, FBLA, SADD, FFA, Varsity Club, Student Council, Quiz Bowl, Yearbook, National Honor Society, Envirothon, Drama Club, Band Front, Class Officers and Representatives, Community Volunteers, Spanish and French Clubs, etc. All activities are also governed by the school district Code of Conduct.

ATHLETICS

Many opportunities are present for students to participate in athletics. The Pine Grove Area High School has interscholastic teams in the following sports: football, cross-country, golf, cheerleading, basketball, wrestling, baseball, volleyball, softball, track and soccer.

Sportsmanship and character development are highly stressed and students are responsible for conducting themselves accordingly to the strictest rules of training and sportsmanship. All athletics are governed by the PGA Code of Conduct.

Pine Grove Area is a member of the Pennsylvania Interscholastic Athletic Association and all regulations are strictly followed. Students are reminded that, to be scholastically eligible to participate in a sport, they must meet the requirement set forth in the participant's handbook for athletics. A weekly report of subject failures is submitted to the principal for students in question. Athletic awards are presented during the year.

STUDENT DRUG TESTING

The purpose of this policy is to create an alcohol and drug-free setting for the Pine Grove Area School District Campus. It is the belief of the PGASD that participation in any extracurricular activity or parking a personal vehicle on school grounds is a privilege, not a right. Students who volunteer to participate in these programs are expected to accept the responsibilities granted to them by this privilege. These students and their parents/legal guardians must also realize that these students have a lesser expectation of privacy than do other students.

As this testing is a non-curricular issue, no recorded participation of any test results, either positive or negative, will appear on the student's permanent transcript or any other permanent record.

This policy encompasses all students wishing to participate in any extracurricular activity or those who meet the district's guidelines to drive on campus and wish to obtain a parking permit. The policy includes those students being educated by the district under special circumstances including homebound students. The district welcomes all students, with the permission of their custodial parents/guardians, to participate in the program.

The district will require any student who is submitting to testing and the student's custodial parents/guardians to consent in writing to drug testing pursuant to the district's drug testing program. Written consent shall be in the form attached to this policy as Appendix A for extracurricular activities and sports and Appendix B for driving privileges (found on the district website). No student will be able to participate in any interscholastic sport, extracurricular activity or to obtain a parking permit without such consent.

Random Testing

Testing will be done without prior warning to the student. The dates of testing, the number of tests to be performed, and the identity of the students to be tested shall be determined by the district in its sole discretion, and may be performed at any time during the athletic season and throughout the year for drivers and other activities.

Consequences for violating drug/alcohol policy or testing positive during a screening

No student participating in this testing program shall be penalized academically for testing positive for illegal drugs. The results of drug tests pursuant to this policy will not be documented in any students' academic records. Information regarding the results of drug tests will not be disclosed to criminal or juvenile authorities absent legal compulsion by valid and binding subpoena or other legal process, which the district shall not solicit in the event of service of any such subpoena or legal process. The student and the custodian parent or legal guardian will be notified of such action.

If a student participates in extracurricular activities as well as parking privileges, both privileges will be revoked in accordance with the progressive consequences process if a positive test is returned.

For complete Drug Testing Policy please refer to the district website. (PGASD Board Policy #227.1)

WORKING PAPERS

Working papers are issued in the guidance office, and it is important that all students are familiar with occupational restrictions as contained in the Child Labor Law. A copy is available upon request.

MILITARY RECRUITERS

With the passage of the No Child Left Behind Act, our school is required to comply with new federal mandates. Section 9528 of the act, also known as Armed Forces Recruiting Information requires schools to provide student contact information to military recruiters and other institutes of higher education unless written notification is provided to the contrary from the student's parents.

PGASD COMPUTER/INTERNET ACCEPTABLE USE POLICY

Pine Grove Area School District (PGASD) provides students (“users”) with access to PGASD electronic communication systems and network, which includes Internet access, whether wired or wireless, or by any other means. Computers, network, Internet, electronic communications and information systems (collectively “CIS systems”) provide vast, diverse and unique resources. Students may use the CIS in order to access information, research, to facilitate learning and teaching, and to foster the educational purpose and mission of PGASD.

Students’ personal technology devices brought onto PGASD property or suspected to contain PGASD information may be legally accessed by PGASD to insure compliance with this Policy and other PGASD policies to protect the PGASD resources, and to comply with the law. Students are required to fully comply with this policy, and immediately report any violations or suspicious activities to the Building Administrator.

Use of the CIS systems by any student requires that PGASD review the policy with the student and the CIS Acknowledgement and Consent Form be received, read, understood and signed by the student and parent. (PGASD Board Policy #815)

ALL ITEMS LISTED IN THIS HANDBOOK ARE SUBJECT TO REVIEW AND CHANGE. SOME ITEMS ARE STATED IN GREATER DETAIL IN SCHOOL BOARD POLICY OR OTHER DISTRICT GUIDELINES. IN ALL INSTANCES BOARD POLICY SUPERSEDES RULES AND REGULATIONS SET FORTH IN THIS HANDBOOK.
