School Counselor

May 10, 2022

To Students/Parents/Guardians:

In May, the Pine Grove Area High School will be administering the Keystone state assessment to students across grades 9th, 10th and 11th grade. These students may be assessed during this Spring Testing Window: students who did not take a previously scheduled exam, students who did not achieve proficient on an exam and students who are enrolled in an Algebra, Biology or English 10 full year or semester two block course. The Keystone administration for the May testing window will be as follows:

May 17th, 2022
Literature Module 1

May 19th, 2022
Algebra Module 1

May 23rd, 2022
Biology Module 1

May 18th, 2022
Literature Module 2

May 20th, 2022
Algebra Module 2

May 24th, 2022
Biology Module 2

On the above testing days, all students will report to homeroom as usual for attendance purposes. After checking into homeroom, students that are testing should then report to their assigned testing room. Exam room assignments will be posted in guidance, homeroom, and the main office. Testing will conclude at approximately 10:11 a.m. (end of 3rd period). If needed, students will have the opportunity to stay in an extended time setting to complete the exam. For more information and/or if you have any questions, please feel free to contact the High School Counseling Department by telephone, 570-345-2731 extension 216.

Sincerely,

Jenny Clay
School Counselor
