

What do I do if the song I play sounds wrong?

- Check the notes. Did I identify them correctly?
- Check the fingerings. Am I using the correct fingering for the note? Use the fingering chart in the back of the book.
- Check the rhythms. Sing the rhythms using ta, ti-ti and rest or pie, ap-ple and rest. Drummers count!
- Check your lips. Are the muscles around your mouth firm? Brass players, are you using the correct buzz for that note?
