

Pine Grove Area High School Alumni Association

Honors/Memorial Fund*

The Pine Grove Area High School Alumni Association has established an Honors/Memorial Fund to honor or memorialize living or deceased alumni.

The Honors/Memorial Fund will accept donations from alumni or non-alumni of Pine Grove High School or Pine Grove Area High School. **Minimum donation is \$25.**

Honors/Memorial donations will be deposited initially into an alumni fund and, from time to time, will be transferred to certificates of deposit, other interest bearing securities, or reputable low risk investments, when a reasonable balance is accrued. Donations to the Honors/Memorial Fund will be used as another source of revenue for the Scholarship Awards.

***The H/M Fund is not meant to replace the monetary collection at the annual banquet or contributions received with the annual mailing for the Scholarship Awards. It is simply meant to provide a way for you to honor or memorialize living or deceased alumni while also supporting the Association's efforts to recognize our young people for academic excellence.**

Contributor's Recognition

Donor's names, but not the amount contributed, persons honored or memorialized with commentary, will be published yearly and may be included as an insert in the Annual Alumni Banquet Program. Contributors will be listed under the category determined by the amount of their donation.

PGAHSAA will maintain an Honors/Memorial Fund book in which contributors, the amount of their donation, persons honored or memorialized, and commentary will be retained.

Donation Categories:

Bronze (\$25 to \$99); **Silver** (\$100 to \$199); **Gold** (\$200 to \$349); **Platinum** (\$350 to \$599)
Platinum Plus (\$600 to \$999); **Diamond** (\$1,000 and up)
