

Summer reminders - please remind your squad of these things as you meet throughout the summer

Squad leaders: EVEN PERCUSSION

please contact your squads. This is a great time to remind them to sign up for REMIND so they get all the info. We don't want to lose any members because YOU did not reach out to them. REMIND is the key to communication

All squads except percussion and band front:

Please arrange a rehearsal/get together. Give them 2 options. If everyone can meet on one of the options, then you do not need a second meeting. This rehearsal/get together is YOUR responsibility. This is so that we do not need to meet as a band throughout the summer as other bands do.

Percussion does not have to meet prior due to having 3 days of percussion camp

Band front will be meeting throughout the summer with Mrs. White

Shoe orders are due by the first week in July. Please drop them off in the main office or mail them to the HIGH SCHOOL. EMAIL OR TXT orders will not be accepted.

RED LION FUND RASIER NIGHT:

Red Lion will be having a Band Benefit night on July 23. We will be receiving a portion of the nights sales. There are several guidelines to the night but the 2 most important are:

We have 100 tickets that need to be turned in. We have some out out at the Bike Hike, but have quite a few more. The more tickets that are turned in that night, the more percentage of sales we get. If we turn in 100 tickets, we get 10% of the total sales. (each ticket is worth .1%)

You do not need a ticket to participate. Simply going to Red Lion on July 23 helps the cause. However, the more tickets we turn in, the bigger the share.

1 ticket PER PERSON for dine in is allowed. 1 ticket PER ITEM (not order) for take out is allowed.

Please email me if you think you can help us turn in tickets!!!

I have enclosed the schedule and will send out the PDF for remind once again as well.
